The Wealth Guardians is a Better Business Bureau (BBB) Accredited Business since 05/08/2013 and rated A+ since 05/08/2013. BBB bases its accreditation and ratings based on the following criteria (this list is meant to summarize the relevant factors but is not meant to be all-inclusive): business complaint history, type of business, time in business, transparent business practices, failure to honor BBB commitments, licensing and governing actions known to BBB and advertising issues with BBB. Only accredited businesses who meet the following standards may use the BBB logo/link in advertising: Build trust, advertise honestly, tell the truth, be transparent, honor promises, be responsive, safeguard privacy and embody integrity. The BBB receives compensation from The Wealth Guardians in the form of membership dues to obtain accreditations. The Wealth Guardian's membership in the BBB in turn provides the opportunity for clients to give ratings through their platform.
